

Coats Pension Plan Scheme Listing

As those associated with Coats will know, the Company has changed greatly over the years, with different businesses being bought and sold. This means that people may have the right to a pension with Coats and not even know it! We have attempted to provide a comprehensive list of the companies which Coats has purchased over the years. It is very important to note that, even if the Company you worked for is noted here, there is no automatic entitlement to a pension. Most importantly, you would need to have paid into a pension plan to be entitled to any benefit – simply working for a company listed here would not be enough! Anyone who left employment before 1975 with one of these Companies would have received a refund of their contributions.

If you believe that you may be entitled to benefits from the Coats Pension Plan, please provide as much information as possible when you contact us. If you are entitled to benefits, you should have received a statement to that effect. To enable us to search our records, we would need to know the Company name, the dates you worked there, and whether you have any documentation supporting your claim to pension benefits.

Company	Comments	
Aero Needles Group		
Ainsworth Finishing Co Ltd	Company Sold 22/02/2001	no name change
Albert Hartley		
Albert Hartley Ltd	Company Sold 28/02/2001
